

Catholic Charities Serving Portage and Stark Counties will host Stark County's **14th Annual Men Who Cook fundraising event on Saturday, October 27th, 2018** at Walsh University. This event benefits our Emergency Assistance, First Step, and Adult Day programs. These programs combine material and financial assistance with advocacy efforts for persons and families in need of food, shelter, clothing, utility payments, and other necessary items to assist them during these difficult times.

We are cordially inviting you to participate in our event as a “celebrity chef.”

As a chef, we ask that you purchase, prepare, and serve sample-sized portions of your favorite culinary creation. You may bring up to two (male or female) assistants to help you prepare and serve your cuisine. Awards will be given in several categories to the chefs who have delighted the taste buds of our judges.

The event will be held at Walsh University's Barrette Business and Community Center. It will begin at 6:00 pm (we ask that you please be there to set up by 5:00, as judging will begin at 5:45) and the event will end at 9:00.

Last year, nearly 300 people attended the event and we raised over \$30,000 to help the underserved and vulnerable of our community! We hope that you are willing to take part in this worthy cause.

For more information on our event, please feel free to contact us. We look forward to your participation and thank you for helping Catholic Charities raise funds for those in our community who depend on our services.

Please confirm or deny your interest in participating ASAP;

via e-mail at Heather.Weaver@CatholicCharitiesPS.org or by phone at (330) 491-0896 ext. 102.

Thank you so much for your consideration!

Sincerely,
