WARM HEARTS FOR WARM HOMES

formerly known as "Keep the Kids Warm"

Over \$131,000 in direct assistance was provided to your friends and neighbors for utilities in 2021.

Each year, funds raised through Warm Hearts for Warm Homes continue to increase, thanks to support from our parishes, our community and others of good will, who generously care about individuals and families struggling to make ends meet. Catholic Charities serves all qualifying people in need (as measured above) regardless of their religious beliefs.

Your "Warm Hearts" provide "Warm Homes"

Catholic Charities' annual "Warm Hearts for Warm Homes" campaign provides direct utility assistance to families with children, working poor adults and older adults on a fixed income. Funds raised are returned to the county in which they were collected.

Assistance with utility bills continues to be one of the top needs among clients at our Catholic Charities agencies across all 8 counties of the Diocese.

Warm Hearts for Warm Homes has raised over \$460,000 since its inception - providing utility assistance to thousands of people.
