

On November 29, 2022, Catholic Charities will host a one-day only ONLINE fundraising event where all of our email and social media friends will be asked to make a donation to help us provide services to people who are poor, vulnerable and without hope as the result of poverty. Our services affirm human dignity, meet basic human needs, strengthen families, build communities, and empower others to transform their lives.

*Catholic Charities serves all qualifying people, as our resources allow, regardless of their faith. Clients do not need to be Catholic to receive help; we help them because we are.*
