## ACTIVITY

Create a poster, one-page essay, social media reel, infographic, or 30-second audio clip to promote 988 - the Suicide and Crisis Lifeline. Teachers can help students choose which medium fits best with their subject area. Students should specify the audience for their promotion. Identify a time when someone might be at higher suicide risk. How can you encourage them that hope, and recovery is possible? What is YOUR message to someone in need?

## AGREEMENT

I, [student], hereby verify that I have completed the project as outlined. I have created an original piece of work, and followed the guidelines set forth for this activity.
